

lion cub mask

Colour in the mask then cut it out.

Place sticky tape over tab for added strength, then make a hole using a hole punch. Tie a length of string or elastic to each side so it holds to child's face.

Fold the dotted lines using the edge of a ruler to get a straighter fold. Fold all lines down from coloured side like so:

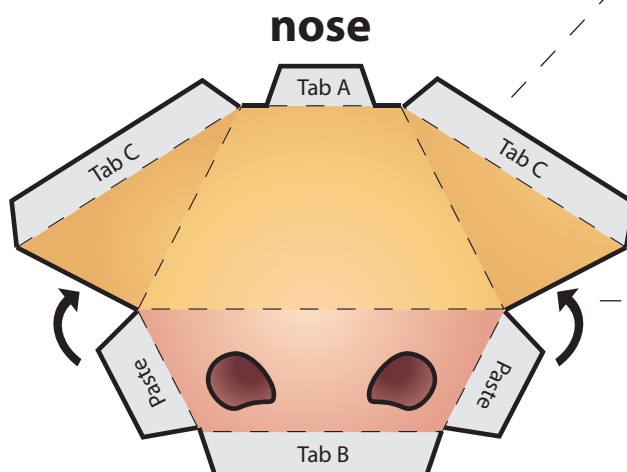

Glue or tape the "paste" tabs under the side nose fold.

Attach the nose by slotting 'Tab A' on the nose into the 'Tab A' slit on the mask and glue to under side. Do so for all labelled Tabs.

MATERIALS NEEDED

- coloured pencils
- scissors
- craft knife
- glue or sticky tape
- string or elastic
